

ABA Instructor Therapist

Job Description:

Kayla's Children Centre is a not-for profit organization providing educational, therapeutic, recreational, and respite services for children with diverse abilities and supports for their families.

We are looking for someone to join our growing team of ABA therapists. As an ABA therapist, you would have the opportunity to work within an interdisciplinary team of teachers and therapists in providing a unique educational and therapeutic intervention. The candidate we accept will receive training and supervision from an experienced team of therapists and Behaviour Analysts.

Role and Responsibilities:

- Working directly 1:1 with students receiving ABA therapy
- Working with small groups of students in a classroom
- Implement reinforcement systems and behaviour plans in the classroom
- Implement social skills curriculum in the classroom
- Implementing goals
- Collect and graph data
- Prepare for ABA sessions
- Maintain client binders and materials
- Collaborate with interdisciplinary team
- Attend training sessions, workshops, online courses, etc.
- Maintain daily written communication log with families
- Demonstrate therapy sessions to professionals and families as required
- Uphold centre's policies and procedures (including ethical guidelines)

Skills and Qualifications:

- Education and training in the field of ABA, IBI, Special Education and/or Child Development (or related)
- Willingness to learn
- Ability to work independently and take initiative
- Follows directions and takes instruction
- Professional demeanour and ability to maintain confidentiality
- Have or are pursuing BST, ABS, RBT or BCBA
- Positive attitude, organized, and passion for learning
- Experience working with children on the autism spectrum and other exceptionalities
- Loves working with kids!
