

Kayla's Children Centre (KCC) is a school, therapy clinic, and recreational centre for children with disabilities, behavioural challenges, and complex medical needs. The centre supports children ages 6 weeks to 21 years who have a wide range of disabilities and provides a variety of specialized programs that enable them to flourish academically, socially, and emotionally. KCC also offers personalized supports and respite for families.

KCC's programs include a licensed day care and specialized school; on-site therapy centre; after-school and weekend respite; adapted sports; life skills programs for teens; a state-of-the-art hydrotherapy centre; and day and overnight camps.
