

Kayla's Children Centre (KCC) is a school, therapy clinic, and recreational centre for children with disabilities, behavioural challenges, and complex medical needs. The centre supports children ages 6 weeks to 21 years who have a wide range of disabilities and provides a variety of specialized programs that enable them to flourish academically, socially, and emotionally. KCC also offers personalized supports and respite for families.

KCC's programs include a licensed day care and specialized school; on-site therapy centre; after-school and weekend respite; adapted sports; life skills programs for teens; a state-of-the-art hydrotherapy centre; and day and overnight camps.

For more information about our centre, please visit: <https://kaylaschildrencentre.org/>

Role: Special Education Teacher (ABA)

We are seeking a candidate to work in our school setting providing whole group, small group, 1:1 support and behaviour management in the classroom. The candidate will have the benefit of working within a multi-disciplinary team of experts such as speech therapists, occupational therapists, physical therapists, music therapists, and behaviour analysts.

Responsibilities:

- Create Individual Education Plans for your students
- Ongoing communication with families
- Plan, organize, and assign activities that are specific to each student's abilities
- Writing behaviour plans
- Supervise and mentor teacher assistants
- Use individualized reinforcement technique
- Teach in small group and one-on-one settings
- Implement Independent Activity Schedules
- Implement social skills, life skills and self-regulation strategies
- Collaboration within a multi-disciplinary team
- Discuss student's progress with parents, teachers, and administrator
- Implement behaviour management protocol
- Record and track data

Qualifications and Skills:

- Ontario College of Teachers Certification is preferred
- Special Education *Part 1* Additional Qualification, and experience working with students with Learning Disabilities and/or ADHD considered an asset
- Effective experience working with a broad variety of learners and children in an educational setting
- Strong behaviour management skills
- ABA training
- Leadership skills
- Ability to work as part of a team
- Experience working with children of all ages
- CPR and crisis prevention certifications (preferred)
